

## Ask Pat

[illegible]

I was in my last year of college and was close to graduating and working for... When I got a job I desperately wanted to get my own place that I could move out of the apartment. All of my professors already knew each other, but I didn't like to move out.

It would be a change, every way, but that's an option I wouldn't want to consider either.

Filtered down through square-jawed but I heard that about Clinton. But she is pretty. She got married actually and up at dinner. Do you think it "fresh-out-of-college" person is ready to attack

The *Elm* again compares College and their other campuses in terms of their Dams commitment to diversity in a panel of students from across the country. The *Elm* also compares the university provided with their campus and a new one would be built. When the *Elm* and College have independent students across the country, the *Elm* will be able to make the *Elm* campus power more powerful.

## College athletics needs support

1000

Agencies in attendance were among the many groups documented in a House report issued on Congress monthly meetings in Jan. 24.

"We signed a disclaimer and our Gary Frazier, assistant to executive director for the House Budget, also came with a group of staff to help us support the funding solution."

National Health Institute representatives also had a presence, particularly noted in a House committee on general aid support for health care. The group said it supported the House bill, suggesting a policy to be used for support.

Jeffrey Hirsch, vice president for EDA, suggested the House report as a basis for the bill, which was passed in the House.

[illegible]

recommended the *Declaration* that the United States recognize Israel's right to exist and that the United States not follow any policy that would harm negotiations should be opening in 1993. The speaker also said that the United States would not support a unilateral move to preclude Palestinian participation in the process of peace negotiations. The speaker also said that the United States would not support a unilateral move to preclude Palestinian participation in the process of peace negotiations. The speaker also said that the United States would not support a unilateral move to preclude Palestinian participation in the process of peace negotiations.

## *Slide down our churchyard hill, ski along our village lane.*

Doon Heritage Crossroads will host two afternoon outings for a crisp winter afternoon on Sundays, February 11 & 18, from 1:30 to 4:30 p.m. Everyone is invited to bring cross-country skis, sleds and snowshoes for an afternoon of family fun. If the weather permits, the staff will lay out ski trails through the 46 acre Crossroads park which is situated on the picturesque valley of Schneider Creek at Homer Watson Boulevard and Huron Road.

Although the historic village buildings will be closed, hot cider will be served by an old wood stove in the village.

Admission is \$1 for all, young and old.

Doon Heritage Crossroads is a non-profit museum owned and operated by the Regional Municipality of Waterloo.

## DRINKING AND YOUR HEALTH ALCOHOL AWARENESS WEEK

FEB. 5 - 9

More than 10% of undergraduate students drink enough to be classified as heavy drinkers. In addition to the possible health risks, these students are paying out a lot of money for something that is hazardous to both their mind and body.

JUST FOR THE HEALTH OF IT  
DRINK RESPONSIBLY
